Our Goals for 2016-2018

1. Each student is a powerful learner, who is engaged and committed to their learning, is resilient, has a growth mindset and reflects on their learning.

2. Each student’s attendance and well-being are supported to ensure strong connections are made and the student thrives in our school environment.

3. Each teacher establishes and maintains high expectations with each learner, provides students with every opportunity to excel, and intervenes to challenge and support individual learners to ensure progress is made.

4. Each student aspires to complete secondary education successfully and is assisted to plan and be well prepared to move onto further education, training and employment.

5. Parent/carer participation and school promotion activities increase community support for student learning and school development.

2018 SITE IMPROVEMENT PLAN

2018 Priorities for improvement
